

Dear Principal

**Urgent and Important message from the School Nursing Service Team**  
**Managers for dissemination to your parents and guardians**

We are forwarding you information that we hope you can distribute to the parents and guardians of your pupils. The PHA have asked us to offer another opportunity for children in the Southern Trust to receive the flu vaccine.

The School Nursing Service would like to offer the Flu vaccine to any pupils who missed the vaccine in school recently. Please see the table below for details of your nearest clinic. Consent forms and information leaflets will be available at each session. Parent/Guardians do not have to book - just turn up with your child/children and they can be given the nasal flu vaccine.

Date	Date	Area	Venue	Time
Thurs	11/01/2024	Newry	John Mitchell Place Clinic	2:30 – 4:30pm
