Dear Jim,

On behalf of Air Ambulance Northern Ireland, please accept our sincere thanks for your donation of £1,825 in aid of Air Ambulance NI, raised through your 'Red Day' at school. As you can imagine, fundraising has been severely impacted by Covid19 with hundreds of events cancelled. We are really touched that you have chosen to support your local air ambulance.

The charity Air Ambulance Northern Ireland, in partnership with the Northern Ireland Ambulance Service, provides the Helicopter Emergency Medical Service for Northern Ireland. The service brings urgent medical assistance to anywhere in the province, operating seven days a week for 12 hours per day with the aim of saving lives, brains and limbs. It can get to anywhere in Northern Ireland in approximately twenty-five minutes. From the first tasking in 2017 the HEMS has been tasked on 1,762 occasions.

The service is called out to patients like David on 1 or 2 occasions every day. David said:

"I found myself needing Air Ambulance NI, after falling while working on my farm in Sion Mills. I have to say, that without Air Ambulance NI, I would not be here today. All the consultants have told me that it is a miracle I'm alive. It is so important to support this service to ensure it continues providing this type of critical care." – David Thompson

Air Ambulance NI needs to raise £2million each year to maintain this service so support like yours is crucial. We encourage you to follow the charity through our social media channels including Facebook, Twitter, Instagram and Linked In and on the news section of our website, www.airambulanceni.org

From time to time we would like to contact you with news on our latest case studies, campaigns and how you can support the charity. Your contact details will not be shared with anyone else and will be held securely by AANI. If you do not wish to receive further information from AANI, perhaps you could let us know by email to info@airambulanceni.org or by post.

With sincere thanks,
