"*iCare at Christmas – Kindness without limits*" Campaign 2020.

Kindness, Always …

Last year, with public and corporate support we delivered over **500 presents** (toys, personal care items, clothes, etc) to family shelters, Women's aid, youth centres across Northern Ireland and in the greater Dublin area.

This year, it is our aim to double this and deliver 1000 presents for those in most need on Christmas morning.

2020 has been a challenging and extraordinary year to date. With the health and safety of its amazing team and volunteers as priority, the iCare committee made the difficult decision not to go ahead with its annual 19-night Christmas extravaganza Santa's Gatelodge in Milford.   This has had a critical impact on our charity and its ability to fundraise.

Despite this, the iCare team are committed to making *iCare at Christmas* a real success this year, spreading kindness without limits and making a small difference to the lives of those most vulnerable in our communities.

We would love your support

We are having a drop off point at school reception <u>on Wednesday 9th December</u> – anything is appreciated no matter how small. Please leave gifts un-wrapped to allow us to allocate to correct age groups.

The iCare committee are on hand to answer any questions you might have, and we would love to speak to you if you are interested in getting involved. You can email icare@hcil.com

Warmest Regards & Thank you in advance.

Lisa Mackle (iCare / St Peters Parent Committee)
